

Indian Railways has issued LoA to Siemens Ltd for manufacturing of
9000 HP electric freight locos | 1

The [Indian Railways](#) has issued the Letter of Award (LoA) to [Siemens India](#) for the manufacturing and maintenance of 9000 HP electric freight locomotives worth about Rs 26,000 crore, about USD 3.2 billion, excluding taxes and price variation.

Over a period of 11 years, these 1200 high horsepower electric locomotives would be manufactured at a Railway's factory in Dahod.

Under the contract, the company would manufacture 1200 locomotives and provide maintenance of these locomotives for 35 years, whereas the proto-type locomotives is expected to be delivered in the next two years.

However, the agreement between both parties would be signed within 30 days of the issue of the LoA.
