

The [West Bengal Power Development Corporation Limited \(WBPDCL\)](#) and [Maharashtra Power Generation Corporation Limited \(MAHAGENCO\)](#) have each placed orders with Isgec for Dry Sorbent Injection (DSI) System Packages for their respective 2 x 210 MW (Unit #3&4) Khaperkheda Thermal Power Station and 4 x 210 MW (Unit #, 3,4,5&6) Kolaghat Thermal Power Stations.

Isgec and United Conveyor Corporation (UCC), in the USA, have a strategic project-based collaboration and technology licencing agreement for DSI Technology, whose cutting-edge technology will be used for these projects.

The scope of work includes Design, Engineering, Procurement, Fabrication, Construction, Installation, Commissioning, Startup, and Testing of DSI Package.
