

Jindal Stainless to install rooftop solar capacity in Jajpur and Hisar at a cost of Rs 120 crore | 1

At its sites in Jajpur and Hisar, [Jindal Stainless Ltd](#) (JSL) said that it would invest Rs 120 crore to install rooftop solar capacity. JSL said in a statement that additional rooftop solar capacity of 6 MWp will be installed at the company's unit in Hisar in addition to the 21 MWp project that will be built in Jajpur. "The two rooftop solar plants will be generating about 795 million units of electricity, with a carbon abatement potential of 5,64,450 tonnes in a span of 25 years," it said. Both the projects are scheduled to be completed by March 2024, the company said, adding that the energy generated will be for captive usage.
