

Engineering company JMC Projects reported receiving new orders totaling Rs. 2,277 crore.

“[JMC Projects \(India\) Limited \(JMC\)](#), a leading civil engineering and EPC company, has secured new orders of Rs 2,277 crore,” a company statement said.

The orders include water projects in India worth Rs 1,497 crore, and B&F (building and factories) projects in the country worth Rs 780 crore.

S K Tripathi (CEO & Managing Director) commented, “These new orders in the water business will help us to strengthen our leadership and capabilities in the water business. Our B&F business continues to diversify its clientele by adding reputed and marquee customers. These orders, along with the orders announced earlier during the year, gives us confidence to achieve the targeted growth going forward.”
