

JSW Group's corporate social responsibility (CSR) arm, JSW Foundation, said that it has secured a contract to build and renovate the B wing of St. Elizabeth's Hospital, one of Mumbai's oldest multi-specialty healthcare institutions.

The Bombay Provincial Society of the Daughters of the Cross, St. Joseph's Education & Medical Relief Society, and JSW Foundation all signed and completed the Tripartite Agreement.

According to this Agreement, JSW Foundation will build and renovate the B wing of the 100-year-old municipal hospital into a cutting-edge medical facility with the newest facilities and infrastructure.

Following its redevelopment, St. Elizabeth's Hospital will have a fully modernized medical centre covering close to 100,000 square feet flanked across 7 floors and 2 basements.
