

New orders worth Rs 2,456 crore have been received by Kalpataru Power Transmission and its international subsidiaries.

These orders include residential and commercial building construction projects worth Rs 1,427 crore in the country, as well as T&D (Transmission and distribution) business orders worth Rs 498 crore in India and overseas markets, according to a company statement.

The company won railway projects worth Rs 299 crore and oil and gas pipeline projects worth Rs 232 crore in the domestic market.

“With these orders, our YTD (year-to-date) FY23 order intake stands at Rs 19,487 crore, a growth of over 35 per cent compared to the similar period last year,” Manish Mohnot, Managing Director & CEO said in the statement.

The company is one of the largest specialized Engineering, procurement, and construction (EPC) companies engaged in power transmission & distribution, oil & gas pipeline, railways and civil infrastructure business.
