

New orders worth Rs 2,290 crore have been received by Kalpataru Power Transmission Ltd and its subsidiaries.

According to a company statement, Kalpataru Power Transmission Limited (KPTL), a major international EPC (engineering, procurement, and construction) player in the power and infrastructure contracting industry, and its subsidiaries have received new orders or notification of awards totaling Rs 2,290 crore.

These include Rs 1,416 crore in orders for electricity transmission from foreign markets. Additionally, the business and its subsidiaries were awarded contracts for the construction of an elevated viaduct, five elevated stations, a data centre, and B&F (buildings and factories) projects in India totaling Rs 874 crore.
