

Chief Minister of Karnataka, Basavaraj Bommai, inaugurated a new and larger facility of Power Quality Products production at Doddaballapur, Bengaluru, alongside Claudio Facchin, CEO of [Hitachi Energy](#), and N Venu, Managing Director and CEO, India and South Asia, Hitachi Energy.

“Hitachi Energy works closely with customers, governments, institutions, and partners, to enable a sustainable energy future by deploying state-of-art technologies. We have a rich heritage and extensive footprint in this country and this new manufacturing unit for power quality solutions reinforces our commitment to facilitate India’s energy transition to net-zero” said Claudio Facchin, CEO, Hitachi Energy.

“It also supports the Make in India initiative and strengthens our long-standing presence in Karnataka as we look forward to collaborating across stakeholders for the success of our shared vision,” he added.
