

KEC International Secures Rs 1,065 Crore in New Orders Across Segments

KEC International's stock fell 0.05 percent to 431.55 per share on the BSE.

KEC International, the RPG Group's flagship company, said that it has received fresh orders totaling Rs. 1,065 crore from a variety of enterprises. Orders for projects in India, the Middle East, Africa, and the Americas were secured by the company's Transmission & Distribution (T&D) division.

In India, the company's railroads segment received an order for railway siding construction in the conventional category, while the civil division received an order for infra works in the water pipeline segment.

KEC International stated in a statement that its oil and gas pipelines business has received an order for the laying of oil and gas pipeline through its wholly-owned subsidiary, Spur Infrastructure Pvt Ltd.
