

Kilitch Drugs India Limited is a leading MSME international injectables company. As part of its growth strategy, Kilitch has bought a 15-acre land lot in Maldev, Taluka: Pen, Maharashtra, on the Pen-Khopoli Highway.

The property purchased by the corporation will be utilised to build a cutting-edge greenfield pharmaceutical facility. To meet the expanding demand in the domestic and export markets, the business wants to construct up 4-6 production facilities in several therapeutic areas.

The expansion will focus on injectables and other biotech goods in a similar vein. The proposed project is futuristic and will receive the highest level of approval from the world's main regulatory bodies.
