May 25-26 | 1

'Bio Connect Kerala 2023', an international industrial conclave, will take place in Kovalam on May 25 and 26.

The Kerala State Industrial Development Corporation (KSIDC) is hosting the conference with the goal of advancing the state's life science industry.

According to sources, Kovalam's Leela Raviz Hotel would host the conclave's opening ceremony. Industries Minister P Rajeeve.

The objectives of the conclave is to attract top investors to Kerala, enhance industry linkages to create partnership opportunities, showcase infrastructure and initiatives for availing incentives under the Kerala Industrial Policy, create an industry-academia interface, provide investment opportunities for product development and scale-up, and foster industry/academia networking.

During the course of the conclave, an expo will be held to showcase products and ideas of start-ups, classes, panel discussions, various sessions, meetings with policymakers, and the opportunity to interact with life science experts on business proposals.
