

La Opala RG has announced the opening of their new greenfield factory in Sitarganj, Uttarakhand.

By the conclusion of the first quarter of the current fiscal year 2022-23, production is expected to begin.

The company's manufacturing capacity will grow by 11,000 metric tonnes per year once this new unit is operational.

This new plant will assist in meeting the increased demand for opal glassware in both domestic and foreign markets.
