

Larsen & Toubro's Transportation Infrastructure Business has received several orders from notable clients.

The Tamil Nadu Road Infrastructure Development Corporation has given the company an order to build the Chennai Peripheral Ring Road EPC-02 Package of Section-II in the Engineering, Procurement, and Construction (EPC) system. Construction of a six-lane greenfield highway with flexible pavement, two-lane service roads, and paved shoulders on both sides of the carriageway, at-grade intersections, major / minor bridges, vehicular / light vehicular / small vehicular underpasses, and culverts, as well as maintenance for seven years, are all included in the scope of work.

The Uttar Pradesh Metro Rail Corporation (UPMRCL) Ltd has placed an order with the Railways business unit and the Substation business unit of the Power Transmission & Distribution Business.
