

Man Infraconstruction Limited has been granted a Letter of Acceptance (LoA) from Bharat Mumbai Container Terminal Private Limited (BMCTPL) for the sum of Rs. 680 crore (inclusive of GST) to carry out Phase 2 Infrastructure Works at the Fourth Container Terminal at Jawaharlal Nehru Port (JNPT), Navi Mumbai, Maharashtra, within a 2.5-year time frame. The PSA International, a prestigious Global Port Group with its headquarters in Singapore, owns BMCTPL as a subsidiary. In order to meet the growing demand for container handling capacity and to ease marine trade in the nation, PSA is collaborating with JNPT to create this fourth container terminal.

Commenting on this development, Manan P Shah, Managing Director said, “ManInfra Group has successfully executed Phase 1 Infra Works for BMCTPL within a challenging time-frame of 22 months instilling its added confidence within our group. This achievement has significantly bolstered BMCTPL’s confidence in the exceptional work quality and capability of our company. Our commitment to excellence and delivering exceptional standards has been acknowledged, paving the way for this renewed opportunity.”

“We are once again delighted to win this prestigious Letter of Acceptance (LoA) and the commencement of Phase 2 Infra Works signifies another notable milestone in our association with BMCTPL. With both the responsibility of land reclamation and infrastructure development in our hands, we are filled with elation and gratitude for this opportunity. Man Infraconstruction Limited being an esteemed construction service provider in the field of Port Infrastructure, is dedicated to fulfilling its commitment of delivering the project ahead of schedule. We eagerly anticipate undertaking this prestigious project and delivering exceptional results in accordance with our established reputation,” Manan added.
