

Dalmia Cement (Bharat) Limited has announced the start of commercial production of Line 2, with a capacity of 2.25 million tonnes, at its Kapilas Cement Manufacturing Works (KCMW) Unit in Cuttack, Odisha.

The company's total capacity at the facility has now increased to 3.95 million tonnes per year as a result of this expansion.

Dalmia Cement (Bharath) Limited MD and CEO Mahendra Singhi said, "We are happy to announce that DCBL has commenced commercial production of Line 2 at our KCW plant. With this, we are a step closer to our goal of taking our capacity from 30.75 million tonnes to 48.5 million tonnes by FY24."
