

[Larsen & Toubro \(L&T\)](#) has agreed to distribute Kemroc's cutting-edge equipment in India. Kemroc is a global maker of attachments for excavators and backhoe loaders.

The contract covers Kemroc-developed specific attachments, such as its revolutionary EK chain cutters. These chain cutters have revolutionised rock trenching and are widely used around the world, especially in India.

A company statement said, "Larsen & Toubro...and Kemroc, a global manufacturer of attachments for excavators and backhoe loaders, have entered into a distribution agreement that will facilitate Kemroc products to be distributed and promoted in the Indian market by L&T."
