

A 1000 TPD DAP/NPK fertiliser and phosphoric acid factory with a projected cost of Rs 450 crore has been approved for construction by Madhya Bharat Agro Products in either Gujarat or Maharashtra.

At its meeting on March 14, 2023, the company's board of directors gave its approval. Beneficiated Rock Phosphate (BRP), Single Super Phosphate (SSP), and Sulphuric Acid, which are produced in huge numbers for replenishing "P" (Phosphorus) in the soil and acting as a fertiliser for the crop, are made by Madhya Bharat Agro Products.
