

Union Power Minister R K Singh has announced a Rs 13,000 crore allocation for Madhya Pradesh's energy sector modernization and infrastructure development.

A public relations official said Singh made the announcement in a joint meeting with Chief Minister Shivraj Singh Chouhan and top energy department officials on Thursday evening.

"Madhya Pradesh will get Rs 13,000 crore for modernisation and infrastructure development in the energy sector. The reforms being carried out in the energy sector are praiseworthy and the innovations followed by the state for reducing energy losses are novel and implementable," the official said quoting Singh.
