

The Centre is working 'relentlessly' to strengthen the health services in the country so that every citizen is able to access quality medical treatment, Union Health Minister Mansukh Mandaviya said here on Sunday.

On the second day of his visit after visiting Puducherry, Mandaviya took part in a series of events and also participated in the foundation stone laying ceremony of a central government health scheme (CGHS) centre in near by Avadi.

"Prime Minister Narendra Modi's government is working relentlessly to strengthen the health services across the country to ensure that every citizen has access to quality health today," he said after virtually laying the foundation stone of the centre.

Mandaviya, who is also the Minister of Chemical and Fertilizer visited the campus of Madras Fertilizers Ltd and reviewed the progress of the company. He directed the officials to work towards fulfilling the needs of farmers.

Later, Mandaviya laid the foundation stone of the new technology centre at Central Institute of Petrochemicals Engineering and Technology (CIPET).
