

Military Engineer Services (MES), Lucknow Zone has issued an invitation for bids for the Engineering, Procurement and Construction (EPC) mode of providing technical accommodations and supporting infrastructure for the command hospital in Lucknow. The scope of work includes internal water supply, boundary wall, pump room, kitchen block on the ground floor, waste management on the ground floor only, electrical substation on the ground floor alone, and 780-bed command hospital (G+ 5 floors+1 basement). The project is expected to cost Rs. 492.00 crore and take 36 months to complete.
