

On a DBFOT basis, the Mormugao Port Trust has requested proposals for the rehabilitation of berths 9 and three barge berths at Mormugao Port in Goa.

Construction of a 350-meter-long berth; provision of **mechanical** handling equipment, stackyard development, and other auxiliary facilities; facility operations and maintenance; and permitted commercial activities at the project site are all part of the project.

The project's estimated cost is Rs 842 crore.
