

The Ministry of Road Transport and Highways of the Indian government has issued a request for proposals for road work in Telangana.

On an [engineering procurement and construction](#) (EPC) basis, the scope of work includes rehabilitation and upgradation of the Valigonda to Thorrur section of NH-930p to two lanes with paved shoulders from 39.180 km to 108.300 km.

The work's contractual value is expected to be Rs 438.05 crore.
