

Government of India's Ministry of Road Transport and Highways has requested proposals for the building of a two-lane highway with paved shoulders from design ch 0.000 to design ch 49.200 of NH-731 B on an EPC basis in Uttar Pradesh.

The project would take 24 months to complete and will cost Rs 348.72 crore.

The Ministry of Road Transport and Highways is the apex body for formulation and administration of the rules, regulations and laws relating to road transport, transport research and in also to increase the mobility and efficiency of the road transport system in India.
