

The Ministry of Road Transport and Highways (MoRTH) of the Indian government has solicited proposals for the expansion of the Tadipatri to Muddanur Bypass portion.

The scope of work for the Tadipatri to Muddanur Bypass stretch of NH-67 in the state of Andhra Pradesh is to enlarge the existing road to four lanes with a paved shoulder from 0.000 km to 51.119 km [current chainage 476.700 km to 523.530 km] (51.119 km) under EPC method under Annual Plan 2021-22.

The project is expected to cost Rs 594.79 crore and take 30 months to complete.
