

- **Sayan Greenochem(Unit-II)** is planning to take up new synthetic organic chemicals manufacturing unit in GIDC Industrial Estate, Ankleshwar, Bharuch, Gujarat. The project involves setting up synthetic organic chemicals manufacturing unit to produce dyes & dye intermediates -organic pigments with capacity 519 MT /Month. The estimated cost of the project is Rs.150 million. As of January 2021, environment clearance for the project is underway.
- **Abhinav Multichem** is planning to take up new dyes manufacturing unit in Naroda Industrial Estate, Ahmedabad, Gujarat. The project involves setting up a new unit for manufacturing of various types of Dyes with capacity 90 MT/M. The estimated cost of the project is Rs.30 million. As of February 2021, environment clearance for the project is underway.
- **Bhavin Colors** is planning to take up new various type of dyes manufacturing unit in Kalol GIDC, Gandhinagar, Gujarat. The project involves setting up various type of dyes manufacturing unit with capacity 800 MT/Month. The estimated cost of the project is Rs.162 million. As of February 2021, environment clearance for the project is underway.
- **Tanya Exports** is planning to take up project synthetic organic chemical manufacturing plant expansion in GIDC Estate, Vatva, Ahmedabad, Gujarat. The project involves expand existing manufacturing plant for blending of dyes (25 MT/M) and add new color dyes products(60 MT/M) total capacity of 85 MT/M. The estimated cost of the project is Rs.31.5 million. As of February 2021, environment clearance for the project is underway.

- **Mugat Industries** is planning to take up new synthetic organic chemical manufacturing unit in Saykha Industrial Estate, Bharuch, Gujarat. The project involves setting up new unit to manufacture synthetic organic chemical (Azo Pigments & Solvent Dyes capacity of 150 MTM and 4 B Acid capacity of 100 MTM). Total production capacity will be 250 MTM. The estimated cost of the project is Rs.56.7 million. As of February 2021, environment clearance for the project is underway.
- **Ecofine Colourchem** is planning to take up new dyes and dye intermediates manufacturing project in Saykha Industrial Estate, GIDC, Saykha, Vagra, Bharuch, Gujarat. The project involves manufacturing of dyes and dye intermediates with capacity 1350 MT/month. The estimated cost of the project is Rs.215 million. On February 2021, environment clearance for the project is underway. As of June 2021, project involves expanding the manufacturing capacity of dyes and dye intermediates 1500 MT/M. The environment clearance for the project is underway.
- **B.P. Industries** is planning to take up new various type of dyes manufacturing unit in GIDC estate, Odhav, Ahmedabad, Gujarat. The project involves setting up various type of dyes and dye intermediates manufacturing unit with capacity 35 MT/Month. The estimated cost of the project is Rs.162 million. As of March 2021, environment clearance for the project is underway.
- **Shivanand Polymers** is planning to take up dyes manufacturing expansion project in GIDC Vatva, Ahmedabad, Gujarat. The project involves expanding the manufacturing capacity of dyes from 12 MT/M to 150 MT/M. The estimated cost of the project is Rs.45 million. The proposed expansion will be carried out within the same premises. As of March 2021, environment clearance for the project is underway.
