**New Projects for the Day - July 07<sup>th</sup> 2020**

**2020 - 2020 Gws Waste Solution and Horizon Metaltech**  
Gws Waste Solution and Horizon Metaltech are pleased to announce the completion of a new project in the energy sector. The project involves the installation of a new power generation unit at the site of the existing plant. The project is expected to be completed by the end of the year. For more information, please contact us at [info@nptris.com](mailto:info@nptris.com).

**2020 - 2020 Lifecare Laboratories**  
Lifecare Laboratories is pleased to announce the completion of a new project in the pharmaceutical sector. The project involves the installation of a new production line for the manufacture of a new drug. The project is expected to be completed by the end of the year. For more information, please contact us at [info@nptris.com](mailto:info@nptris.com).

**2020 - 2020 Horizon Metaltech**  
Horizon Metaltech is pleased to announce the completion of a new project in the metal processing sector. The project involves the installation of a new metal processing unit at the site of the existing plant. The project is expected to be completed by the end of the year. For more information, please contact us at [info@nptris.com](mailto:info@nptris.com).

**2020 - 2020 Gws Waste Solution**  
Gws Waste Solution is pleased to announce the completion of a new project in the waste management sector. The project involves the installation of a new waste management unit at the site of the existing plant. The project is expected to be completed by the end of the year. For more information, please contact us at [info@nptris.com](mailto:info@nptris.com).

**2020 - 2020 Lifecare Laboratories**  
Lifecare Laboratories is pleased to announce the completion of a new project in the pharmaceutical sector.
