

The National Highways Authority of India (NHAI) has issued a tender for the improvement and upgrade of an existing road from Khutar bypass to Shahjahanpur bypass to two/four lanes with paved shoulders.

On an EPC basis, the project will run from 40.000 km to 88.750 km on NH-731 in Uttar Pradesh (Package-1)

The project would cost Rs 548.27 crore and is expected to take 24 months to complete.
