

In Karnataka, the National Highways Authority of India (NHAI) has issued a request for proposals for a six-lane access-controlled greenfield highway.

The project would create a six-lane access controlled greenfield highway in Karnataka from 162.500 km to 203.100 km along NH-150C (Package-IV of Akkalkot-KNT/TS Border) under hybrid annuity method (HAM) under the Bharatmala Pariyojana.

The project's projected cost is Rs 1169.22 crore
