

The Danapur-Bihta Section's four-lane elevated corridor has received bid requests from the National Highways Authority of India (NHAI).

The project's scope includes building a four-lane elevated corridor and at-grade improvements along the Danapur-Bihta Section from design Ch 0.000 to design Ch 19.870, along with 1.35 km of ramps and at-grade improvements to the four-lane section on the Danapur side, and upgrading the state's existing two-lane carriageway to a four-lane carriageway from design Ch 19.870 to design Ch 23.500.

The project is expected to cost Rs 3737.51 crore and will take 30 months to complete.
