

NHAI issues tender for building six-lane-controlled ICR between
Paniyala and Barodameo | 1

The [National Highways Authority of India \(NHAI\)](#) has issued two tenders for the building of a six-lane access-controlled ICR between Paniyala and Barodameo in Rajasthan.

Tenders are being issued under the Bharatmala Pariyojana to be carried out in the EPC style. The first tender included the building of a six-lane access-controlled roadway with a length ranging from 0.000 km to 40.080 km (Paniyala to Mator Section). The project's estimated cost is Rs 1,306.78 crore.

The second tender included the building of an access-controlled roadway along the Paniyala-Barodameo ICR from 40.080 km to 86.513 km (Mator to Barodameo Section). The project would cost Rs 1,388.95 crore. Both projects will be completed in 24 months.
