

At the 17th phase of the ground-breaking and inauguration event for new industrial units on Tuesday, Odisha Chief Minister Naveen Patnaik formally opened four important industrial units and set the groundwork for 17 further projects. 9,200 people could find work thanks to the combined investments in these sectors totaling Rs 3,600 crore.

Chief inspector Patnaik, who spoke at the event, stated that Odisha is currently the second-best state for luring investments. He stated that the tireless efforts of his administration to elevate Odisha as an investment destination are beginning to bear fruit.

He further said that we have always endeavored to provide a hassle-free environment and a prompt system for doing business in Odisha on the philosophy of 5T initiative. The Make in Odisha Conclave-2022 was an outstanding success as it could potentially generate around 10 lakh jobs in the state, he informed.

He congratulated all the companies and the people of Odisha on this occasion and assured continued facilitation support from the State Government. He also requested all the investors present to further expand their businesses in Odisha and be the partners in our Growth Story.
