

Nine industrial projects totaling Rs. 1,53,074.63 crore were granted by the High-Level Clearance Authority (HLCA) of the Odisha government, and they have the potential to create more than 27,030 new jobs for the region.

The High-Level Clearance Authority's 30th meeting was presided over by Chief Minister Naveen Patnaik.

The organisations that took part in MIO Conclave 2022 indicated that they intended to invest in the state.

Nine such industrial projects totaling Rs. 1,53,074.63 crore were approved by the HLCA committee, creating around 27,030 jobs for Odia citizens.

The HLCA approved the proposal of ACME Clean Energy, entailing an investment of Rs 58,209.13 crore.

The committee also approved the proposal of Avaada Green H2 at Ganjam district.

HLCA approved two other projects in the green energy and equipment sector namely [Renew EFuels Private Limited \(REFPL\)](#) and [Ocior Energy Private Limited](#).

In the paper sector, the committee gave a nod to two projects, namely [Bank Note Paper Mill India Private Limited](#) and Deevyashakti India Private Limited.

In terms of the metals and minerals sector, the authority approved two large projects which are expected to provide employment to a total of around 12,500 people of Odisha.

In the IT and infrastructure sector, the proposal by [My Home Constructions Private Limited](#) has been approved by HLCA.
