

Imagine Panaji Smart City Development Limited (IPSCDL) has conceptualised a Rs 61.5 crore project for Ribandar that includes a sewage network and treatment plant, smart street lighting, and remodelled roadways.

IPSCDL has set an ambitious timeframe of 18 months to accomplish the full project, which is part of the Centre's Smart City Mission.

IPSCDL has chosen to beautify Ribandar's streets, which will include streetscape design, landscaping, intersection redesign, plazas, stairs, and a new sewerage system, which will include a sewage treatment plant and pumping stations.
