

The foundation stone of Rajkiya Medical College in Kushinagar was laid by Prime Minister Narendra Modi. In Kushinagar, he also inaugurated and lay the foundation stones for a number of development projects.

Modi told the crowd that the medical college in Kushinagar will fulfil local aspirations of becoming doctors and having high-quality medical infrastructure. He stated that the potential of receiving technical education in one's own language is becoming a reality under the National Education Policy.

According to Modi, this will allow local Kushinagar youth to achieve their goals.

He underlined that when basic amenities are provided, people would have the guts to dream large and the spirit to achieve their goals
