

Poddar Pigments commences commercial operations at new unit in
Jaipur | 1

According to a post-market hours filing, Poddar Pigments (PODDARMENT, BOM:524570) launched commercial operations at its newly set-up production plant in Jaipur, Rajasthan, India.

The facility will produce engineering plastic compounds as well as additive and colour masterbatches.

The company's total installed capacity will increase to 18,000 MTPA from 14,400 MTPA with the addition of the new plant.
