

L&T Construction's buildings and factories (B&F) division recently received EPC orders in India, the company reported in a BSE filing.

Significant orders, according to the company, fall between Rs 1,000 crore and Rs 2,500 crore. The company stated in a regulatory filing: "The business has secured orders from a reputed developer to construct commercial towers at two locations in Mumbai."

The project's scope includes two buildings with a combined BUA of 3.4 million square feet, each with a BUA of 70 floors, and four-level basements. It will take forty months to complete the skyscrapers.

In May, L&T said it has bagged large orders worth over Rs 2,500 crore in the domestic and offshore markets.
