

Power Secretary inaugurates concreting works for second unit of
Arun-III hydro project | 1

Union Power Secretary Alok Kumar has kicked off the construction of the second unit of the Arun-III hydropower project's powerhouse, which is being developed by state-owned SJVN. SJVN Chairman and Managing Director Nand Lal Sharma accompanied Power Secretary Alok Kumar to the 900-MW Arun -III Hydro Electric Project in Nepal, according to a statement from the business.

During the visit, the electricity secretary officially kicked off concrete work on the second unit of the Arun-III project's powerhouse. The continuous construction activity at the Power House Site, Head Race Tunnel, and Dam Site piqued Kumar's curiosity.

He expressed his delight at the rapid progress made by the extremely motivated and dedicated SJVN and SAPDC teams.
