

PSP Projects reported that it had been given work orders totaling RS. 167.35 crore in the residential, precast, and industrial sectors.

The business claimed that among the work orders was a significant order to build Phase 2 of the Noodle Factory from a dependable customer.

According to the company's press release, the overall order inflow for the financial year 2022-23 as to this point is RS. 1,511.58 crore.

In India, PSP Projects is a multifunctional construction firm that provides a wide variety of construction and ancillary services for projects in the industrial, institutional, governmental, residential, and residential sectors.
