

## Radiant Appliances and Electronics establishes 86-inch LED TV assembly unit in Hyderabad | 1

The first 86-inch LED TV assembly line in India has been established by [Radiant Appliances and Electronics](#) in Hyderabad.

On Monday, the new assembly line was officially opened at the company's Fab City facilities by managing director Raminder Singh Soin. He declared that OEM manufacturing of the 75-inch Google TV, DLED, and Bezelless has officially begun.

Radiant will now improve TV production for additional brands. Radiant is a member of the Resolute Group of Companies, which has worked with international OEMs and has over 25 years of experience in the electronics manufacturing industry.
