

Roca Bathroom Products, a supplier of sanitary ware and toilet alternatives, said that it is attempting to establish its first greenfield pipes and fittings manufacturing site in Rajasthan. In December 2018, Parryware, one of Roca India's core brands, joined the pipes and fittings sector in Madurai, expanding its reach in southern regions with Andaman. Currently, a range of pipes and fittings can be found in Tamil Nadu, Telangana, Andhra Pradesh, Karnataka, Kerala, Bihar, and West Bengal, according to the corporation.

Roca has eight production facilities in India, located in Alwar, Dewas, Perundurai, Sriperumbudur, Ranipet, Bhiwadi, Irungattukottai, and Pant Nagar.

According to Roca India, the production unit will be equipped with cutting-edge technology, and the facility would be ready for industrial manufacture in two years.
