

Sahyadri Industries Ltd has completed the expansion of its facility at Perundurai (Tamil Nadu) and begun commercial manufacturing of Flat Sheet goods.

This will result in a 72,000 MT PA increase in overall production capacity. This plant will help the corporation expand its present market share in southern India.

Established in the year 1947, Sahyadri Industries Ltd is involved in building solution offering a complete range of products for Interior and Exterior Building Systems & Roofing solutions.

They are largest manufacturer of cement roofing sheets, cement flat sheets and eco-friendly, non-asbestos fibre cement boards.
