

A report released by the Confederation of Indian Industry and KPMG said that the [State Industries Promotion Corporation of Tamil Nadu \(SIPCOT\)](#) is currently constructing 11 new industrial parks throughout the state that will create more than two lakh jobs in the area. The action is being taken against a backdrop of Tamil Nadu leading among states in ICT-enabled governance, with numerous e-governance initiatives having been successfully deployed all over the state.

In 1997, Tamil Nadu was one of the first states in the nation to develop policies for the IT-ITeS industry. The sector has created a chance for the state to promote software exports and services.
