

SJVN has struck an agreement with the Infrastructure Development Corporation of Karnataka (iDeCK) to provide renewable energy consulting services. SJVN and iDeCK will work together to provide consulting services for solar/wind/hybrid/battery storage energy project development.

RK Gupta, SJVN's top GM of business development, and Ashish Kapoor, iDeCK's senior VP of business development, signed the MoU.

Satluj Jal Vidyut Nigam, better known as SJVN, is an Indian public sector undertaking involved in hydroelectric power generation and transmission. It was incorporated in 1988 as Nathpa Jhakri Power Corporation, a joint venture between Government of India and Government of Himachal Pradesh.
