

A work order for Turnkey EPC job work has been received by Waaree Renewable Technologies Limited (Formerly known as Sangam Renewables Limited) for Engineering, Procurement and Construction (EPC) services in relation to putting up a solar power project with a 36 MWp DC capacity.

According to the terms of the order, the project is anticipated to be finished in F.Y.2023-2024.

Waaree Energies is the flagship company of Waaree Group, founded in 1989 with headquarters in Mumbai, India. It has India's largest Solar panel manufacturing capacity of 12 GW's at its plants in Surat and Umbergaon in Gujarat.

Waaree Energies is amongst the top players in India in Solar Panel manufacturing, EPC services, project development, rooftop solutions, solar water pumps and also an independent Power producer.
