

SPML Infra Limited has signed a contract agreement with the Rajasthan [Public Health Engineering Department](#) (PHED) for the 'Isarda Water Supply Project' as part of the Jal Jeevan Mission to deliver clean drinking water to a population of 25 lac people in the Dausa and Sawai Madhopur districts.

The Rs 1157.80 Crore (USD 151.60 Million) project aims to deliver safe drinking water to around 25,00,000 people living in 1256 villages and 6 cities in Rajasthan's Dausa and Sawai Madhopur districts.

The project will be finished within the required 24 months (3 percent bonus will be offered for completing ahead of schedule), and SPML Infra will be responsible for managing the project's operation and maintenance for the next 10 years following the faulty liability term.
