

SRF Limited's Board of Directors authorised a project for specialised facilities to create intermediates for agrochemicals in the New Plant Structure at Dahej at a cost of Rs115 crore at its meeting.

According to the document, the proposed capacity increase ranges from 600 to 800 MTPA, with the proposed capacity to be added by February 2023.

Furthermore, the funding is a combination of debt and internal accruals. According to the corporation, the goal of the expansion is to satisfy client requests.
