

The board of directors of SRF has approved projects for setting up of four new plants and capacity enhancement of an existing plant to produce various speciality chemicals at an estimated cost of Rs 604 crore.

The capacity enhancement is to be added within a time span of 10 to 12 months.

**SRF Limited** is an Indian multi-business chemicals conglomerate engaged in the manufacturing of industrial and specialty intermediates.

The company's business portfolio covers fluorochemicals, specialty chemicals, packaging films, technical textiles, coated and laminated fabrics.
