

Electric vehicles (EV), automotive technology, textiles, and wireless technologies are just a few of the industries in which the Tamil Nadu Cabinet has approved investments totaling Rs 15,610 crore.

Thangam Thennarasu, the state's minister of industries, said reporters at the state secretariat that the cabinet had approved eight projects totaling Rs 15,610.403 crore that will create 8,726 jobs in the state.

The investments would be dispersed throughout the EV, car, textile, and wireless technology sectors, and at the conference, some significant decisions that would boost the state's industrial sector were also made, according to Thennarasu.

Asked about the destination of the investment, the minister clarified that the investments would be made at Krishnagiri, Theni, Pudukottai and areas around Chennai.
