

To fulfil the anticipated peak demand, the distribution division of Tata Power Co. Ltd. has entered into a 200-MW medium-term hydro power purchase deal with NTPC VidyutVyapar Nigam Ltd (NVVNL).

A supplier of power in the capital is Tata Power Delhi Distribution Ltd (Tata Power-DDL). According to a statement made by Tata Power-DDL, the firm will get hydro power from NVVNL, the trading division of NTPC Ltd., from May through September starting in 2023. It was claimed that the partnership will aid Tata Power-DDL, a power distribution firm (discom), in growing its green product line.

“Tata Power-DDL is focused to contribute towards the national goal by increasing the renewable energy quantum through various arrangements e.g. hydro, solar and wind, etc.,” Ganesh Srinivasan, CEO of Tata Power Delhi Distribution said.
