

Tata Power Renewable Energy said it has received a 'letter of award' to set up a 150 MW solar project in Solapur, Maharashtra.

The [Maharashtra State Electricity Distribution Corporation Ltd \(MSEDCL\)](#) granted Tata Power Renewable Energy Ltd (TPREL), a Tata Power subsidiary, a "Letter of Award" (LoA) to build a 150MW solar project in Solapur, Maharashtra.

It further said that an e-reverse auction followed by competitive tariff-based bidding was used to win the LoA.

TPREL CEO AshishKhanna said, "The award is in line with our commitment to create a sustainable ecosystem for transitioning towards a greener future and affirms our potential to deliver...world-class solar projects."
